First Committee Meeting by Zoom !

#### 1) Committee Vacancies

- Following Brenda's decision to step down we now have 2 vacancies on the Committee. Note that Brenda may rejoin later in the year.

#### 2) Container / Office

- We believe there are still 3 major items to remove –
  - BBQ and 1 x gas bottle
  - 1 x Marquee (size agreed probably 30 ft x 10ft)
  - 1 x broken fridge freezer in the office.
- James to liaise with Brenda (although its doubtful that there will be any quick resolution)

#### 3) Speed Championship

- Quick update from Andrew
- All going quite well – no major issues to report
- One class eligibility report from Tony Freeman

#### 5) Promotional Events / Update

- National Mini Day – Club Display space booked for Downton Motor Club. Looks like 4 minis attending.
- Some discussion re mast flags etc
  - Mast flags are circa £80 each
  - It was decided to hold fire on reordering these as we are not sure how we will transport them to each event (space) and also the thorny issue of displaying our club regalia at other people's events.
- Andrew to check with his branding / merchandise guy (Paul?) as to what other promotional material available and at what price (Sunstrips, larger speed championship stickers, interior window stickers etc)

## **6) Meeting ended at 8.10 pm**

- Rather abruptly as we ran out of time on the free Zoom account (40 minutes)
- Next time a second meeting will be scheduled straight after the first one – participants will then have to login to the second meeting when / if the first one expires.

**Next Meeting** – tbd (probably end of June)

Venue – online meeting
